

Dear visitors and residents,

On behalf of the Puigpunyent City Council, I would like to give you a warm welcome to our municipality and to share with you our goals in terms of sustainability and environmental protection now that you will spend some here with us. Therefore, we would really appreciate it if you could take some time to read the following points:

- 1 Please be aware that we are surrounded by a high fire risk forests. Therefore, we kindly ask you to take extra precautions during your stay when lighting a bonfire, smoking, etc.
- 2 Our municipality suffers from lacking water resources and sometimes drought. However, water supply is guaranteed all year long. Please use this precious resource wisely.
- 3 The Puigpunyent City Council has signed the so-called "Pacte dels Alcaldes" (Covenant of Majors) in which we have set the goal of reducing power consumption and CO2 emissions. Therefore, we kindly ask you to make a sensible use of energy (lights, air conditioning, etc.). Try to use as less lights as possible when being outside in order to reduce light pollution. Let's all enjoy the pleasure of gazing up the stars!
- 4 Puigpunyent is committed to uphold waste management policies promoting waste reduction and recycling. We have been implementing a door-to-door waste collection scheme for the last 15 years (paper products, glass, lightweight packaging, organic materials and general waste). Please respect the collection calendar hanging on your fridge. You must take out the rubbish within the hours stated on it and leave it in front of your front door. Check the list below to find out how to classify waste materials by container.

#### COMPOST

Fresh fruit & vegetable trimmings  
Meat & fish  
Leftover bread & bakery products  
Cooked ingredients  
Eggshells, nutshells & seafood  
Coffee leftovers & teabags  
Yard trimmings (small amounts)  
Paper towel & napkins

#### GLASS

Glass bottles  
Glass jars (no lid)

#### PAPER AND CARDBOARD

Magazines & newspapers  
Paper dishes & cups  
Wrapping paper  
Cardboard boxes

#### LIGHTWEIGHT PACKAGING

Tetra-pack cartons (milk, etc.)  
Plastic bottles & containers  
Plastic bags & cling film
